Sample scripts may be used for a moment of honor; flag raising or casket draping; medal or certificate presentation or other ceremonies honoring organ, eye and tissue donors

Today, I have the privilege of honoring the life of (**Donor Name**) by raising the Donate Life flag at (**FH Name**)

I understand the (**Donor's first name**) was a very special person, a person of character with a giving spirit who cared about others.

Although your loss is extremely difficult, we hope you will take some comfort in knowing that (**Donor's first name**) made the greatest humanitarian gift. (**His/Her**) memory will live on in your hearts and in the hearts of everyone who is touched by this donation.

Each year, the lives of thousands of men, women and children are saved or greatly improved through the miracle of transplantation. The true heroes behind this miracle are organ, eye and tissue donors. Words cannot possibly express the gratitude of those whose lives have been saved and healed by this generous gift.

On behalf of *Lions World Vision Institute* and all those who have received (**Donor's Name's**) gifts, please accept this (flag, medal, certificate) as a symbol of our appreciation. We are eternally grateful. You and your loved one will always be remembered.

Today we pause to honor the life of (**Donor's name**). As we reflect on (**Donor's name**)'s life, we acknowledge that **his/her** final act was to give the most precious gift anyone could give, the gift of life through organ and/or tissue donation. May we find hope in the renewed life brought by this final, selfless act.

Your loved one will always be remembered.
