INSTITUTE

Become a Sponsor

The Eye Ball is the Lions World Vision Institute's largest fundraising event of the year! We can't wait to see you on September 9th as we gather to celebrate 50 years of providing the gift of sight to over 500,000 individuals. We're excited to share in an evening of fun, friendship, and fundraising for the Lions World Vision Institute Foundation. You won't want to miss this must-attend event in Tampa Bay, so grab your disco shoes and become a sponsor today. The evening includes a cocktail reception, live auction, seated dinner, dancing, live music by [#NoFilter](#), and much more. A one-of-a-kind experience, [#NoFilter](#) brings a fast-paced, energetic performance that's sure to keep you dancing, singing, and entertained the entire evening. Black tie optional - bright colors and fringe encouraged!

Your Impact

Funds raised by the LWVI Foundation provide sight-saving resources in our community and around the globe through various programs including cutting-edge ocular research, sight restoration, surgeon training, pediatric eye care, vision screenings, and so much more. Founded in 1973, the Lions World Vision Institute is the largest combined eye bank, tissue recovery, and ocular research center in the world. It serves as the bridge between tissue donation and transplantation. Lions Eye Institute for Transplant and Research and SightLife have come together under a new name: Lions World Vision Institute. Combined, we bring over 100 years resources, experiences, and innovations to successfully restoring sight to more than 500,000 people globally. Now as one organization, Lions World Vision Institute offers a broader, worldwide network of eye banks, physicians, researchers, and community-based services to exponentially increase our impact, as we restore sight for more than 20,000 men, women, and children every year who needlessly suffer from corneal blindness or low-vision. More than ever before, this places our teams in a unique position to offer powerfully transformative sight services to even more people across the globe.

2023 Person of Vision

We're excited to share in an evening of fun, friendship, fundraising as we honor this year's Person of Vision: Darcie Glazer Kassewitz, Tampa Bay Buccaneers Co-Owner and President of the Glazer Vision Foundation.

Darcie Glazer Kassewitz has been the driving force behind many of the Tampa Bay Buccaneers' innovative, forward-thinking fan engagement and community outreach initiatives, retail activation, and facility design. She is focused on ensuring that the Buccaneers and the Glazer Vision Foundation create a lasting positive impact on the Tampa Bay community. Among her accomplishments, Kassewitz leads the Glazer Vision Foundation, which is committed to full-treatment vision correction for children in Tampa Bay. In 2009, the foundation launched the Mobile Vision Clinic, a state-of-the-art interactive eyecare vehicle, which provides eye exams and prescription glasses for children in need.

Since its inception, the program has performed more than 200,000 free eye screenings and provided more than 20,000 free prescription eyeglasses to children who might otherwise not be able to afford them.

In 2021, Lions World Vision Institute proudly became the operator of the Glazer Mobile Vision Clinic and has distributed 2200+ free pairs of eyeglasses, conducted 3000+ exams and performed 4500+ free vision screenings. We are delighted to recognize and honor Mrs. Kassewitz at this year's special commemorative Eye Ball. We can't think of a more fitting honoree.
