

So the world
can see.

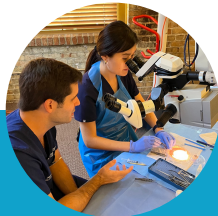

BECOME A SIGHTSAVER

Participating in the Team Member Giving Campaign and donating 15 minutes, 30 minutes, or 1 hour of your hourly wages each month is an opportunity to showcase your passion for our mission of ensuring everyone has access to the gift of sight. No matter the size of your gift, by contributing, you can help support the crucial work of the LWVI Foundation, which is dedicated to expanding our services and ensuring better outcomes for donor families, transplant recipients, the Tampa Bay community, and beyond.

GRATIS TISSUE PROGRAM

Free or reduced fee corneal tissue to people who suffer from corneal blindness but cannot afford sight-saving surgery.

SURGEON TRAININGS

Advanced cornea transplant surgical training in-person, remotely supported, and virtually.

VISION HEALTH PROGRAM

Vision is a strong predictor of academic performance in children. Yet, 1 in 4 children have an undiagnosed vision problem.

FAMILY SERVICES

Offering hope, strength, and connections through honoring the Gift of Sight and Healing.

HOW TO PARTICIPATE

All employees who wish to participate in the Team Member Giving Campaign can register by clicking the Make Your Pledge button. During the registration process, employees will have the opportunity to select their desired monthly donation amount: 15 minutes, 30 minutes, or 1 hour of their hourly rate.

MAKE YOUR PLEDGE

Payroll Deduction

To make the donation process seamless, we will deduct the pledged amount once per month from each participating employee's payroll. This ensures a hassle-free experience and provides an easy way for employees to fulfill their commitment.

Transparency and Confidentiality

We understand that each employee's personal financial information is confidential. Therefore, all donation details will remain strictly confidential. Only the LWVI Foundation and the necessary payroll personnel will have access to this information.
